ABN: 86 504 771 740

This form is effective from 1 February 2019

MALENY GROVE

SUNSHINE COAST

Name of village: Maleny Grove

Important information for the prospective resident

- The Village Comparison Document gives general information about the retirement village accommodation, facilities and services, including the general costs of moving into, living in and leaving the retirement village. This makes it easier for you to compare retirement villages.
- The *Retirement Villages Act 1999* requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at <https://www.malenygrove.com.au/>
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract – there are different types of contracts and they can be complex
- Find out the financial commitments involved – in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.

- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:
 - Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement village. See www.caxton.org.au or phone 07 3214 6333.
 - The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.qls.com.au or phone: 1300 367 757.

More information

- If you decide to move into a retirement village, the operator will provide you with a Prospective Costs Document for your selected unit, a residence contract and other legal documents.
- By law, you must have a copy of the Village Comparison Document, the Prospective Costs Document, the village by-laws, your residence contract and all attachments to your residence contract for at least 21 days before you and the operator enter into the residence contract. This is to give you time to read these documents carefully and seek professional advice about your legal and financial interests. You have the right to waive the 21-day period if you get legal advice from a Queensland lawyer about your contract.

The information in this Village Comparison Document is correct as at 6 August 2026 and applies to prospective residents.

Some of the information in this document may not apply to existing residence contracts.
